As you enter my city memory parks, you will discover
the land of passion and love, ideals and desires, values
and integrity challenged, battles won and lost.

Stories of life will emerge. For each and every person
that lived in my city, left a story.

And as you peacefully start accepting facts of stories of
their life, you start realizing they are stories about your
life.

Their story.
Our story.

Week of discovering European cemeteries

Each year, Significant cemeteries across Europe organize events and activities within 1 week, to raise European citizens awareness of the importance of cemeteries.

Exhibitions, concerts, guided tours, seminars, workshops and other activities take place.

Workshops and Conferences

Exchange of ideas and know-how is important for our mission. Through Annual General Meetings of ASCE and specific theme conferences of European Cemeteries route members can reach for the newest trends and solutions at cemeteries and tourism.
